“... America’s going through a jhatka revolution and the troupe leading it is Dhoonya Dance...”

—Open Magazine, RPG Enterprises

A rapidly growing Bollywood dance company, Dhoonya Dance has developed an original curriculum to teach America how to dance Bollywood style. Founded in Washington D.C. in 2005, Dhoonya Dance has now expanded nationally with a second headquarter in New York City. The team has taught thousands of students, dozens of corporate workshops, and performed on the Oprah Winfrey Show.

Performances and Choreography

The Dhoonya Dance Performance Company™ consists of the most elite and talented South Asian dancers trained in a variety of dance forms that all influence “Bollywood dance.” These dancers have up to 20 years of experience in Bharatanatyam, Kathak, Bhangra, Garba/Raas, Marathi folk, Hip-hop, Jazz, Lyrical/Modern, and Bellydance to create unique choreography.

“Your music selections and choreography were beautiful and perfectly timed ...the charm and friendliness of all of the dancers made for a superb experience for all of the guests and staff!”

-Kim Nettles, Washington Metropolitan Opera

“Your beautiful costumes, enthusiastic and confident dancers helped create the fun and festive Bollywood environment we were striving for...”
“it was a true pleasure for our team to work with your staff. Bravo!”

-Bridgette Evans, YouthAIDS Gala

“1 of 6 Best Acts in North America to Add an International Appeal to Meetings or Events.”

-BizBash Magazine
